PRODUCT OVERVIEW

Polish-manufactured stored-pressure fluorine-free AB liquid extinguisher from OGNIОCHRON S.A., model GPN-9x AB/FF, sized for offices, schools, warehouses, workshops, and larger domestic premises where buyers need Class A solids and Class B liquids covered by a single high-capacity portable without ABC powder residue. The 9 L FFX150 fluorine-free foam solution is rated 34A 183B under EN 3-7 with CNBOP-PIB approval, approved for live electrical equipment up to 1000 V, and operates from 0 °C to +60 °C. Each unit ships with a silver metal hook wall hanger. At 14 kg gross weight and 576 mm high it is the largest AB liquid portable in the trade range and suits buyers who need a calculated EN rating across open-plan offices, corridors, and storage areas without switching to dry powder.

Values are the declared specifications for each article and are confirmed against the delivered batch on the order confirmation.
