PRODUCT OVERVIEW

Polish-manufactured stored-pressure water mist extinguisher from OGNIOPHON S.A., model GWM-6x AF/MP, sized for living rooms, bedrooms, offices, and hallways where buyers want a large domestic portable that can extinguish burning clothing, paper documents, and cooking fats without the collateral damage of ABC powder. The 6 L demineralized water charge forms a fine mist rated 13A 40F under EN 3-7 with CNBOP-PIB approval, approved for live electrical equipment up to 1000 V at a minimum one metre stand-off, and operates from +5 °C to +60 °C. Each unit ships with a metal hook wall hanger. At 9.5 kg gross weight and 502 mm high it is the largest water mist portable in the domestic range and suits buyers who need Class F cover beside a fireplace, barbecue, or open-plan kitchen without switching to a liquid ABF domestic line.

Values are the declared specifications for each article and are confirmed against the delivered batch on the order confirmation.
